CITY OF MAYVILLE
2016**

NOTICE IS HEREBY GIVEN that the City of Mayville will be following the bulk material drop-off policy.

On the last Saturday of each month from May through September, from 8:00 a.m. to Noon, the City of Mayville will provide a drop-off area behind the Mayville Wastewater Treatment Plant. These dates will be **May 21, June 25, July 30, August 27, and September 24, 2016**. Mayville residents may haul their own bulk material to that location for free disposal. Identification as to residency will be checked.

As with current requirements, items not accepted are brush, compostable debris, tires, televisions, household waste or recyclables that are able to be picked up through normal curbside service. Any other electronic items not listed here will need to be disposed of at a proper E-cycle facility or at the Electronic Recycling Event on Saturday April 23 . Visit www.mayvillecity.com home page to find more information on this event and appropriate E-cycle drop-off locations.
