**Public meeting scheduled to discuss Phase 1 of the Gold Star Memorial Trail**

Dodge County and the design consultant, MSA Professional Services are conducting a public involvement meeting to discuss a basic overview of project concepts for the proposed 2017 construction of a new multi-use recreational trail running along CTH TW and STH 28 from Theiler Park in the City of Mayville to the Horicon Marsh Education & Visitor Center.

The meeting is scheduled for Tuesday November 29, 2016 from 6:30 p.m. to 7:30 p.m., inside the Auditorium at the Horicon Marsh Education & Visitor Center located at N7725 Hwy 28 between Horicon and Mayville. All attendees should plan to park in the lower lot and enter thru the lower entrance. A brief presentation is scheduled to begin at 6:45 p.m., with the remainder of the meeting following an open house format. The objective of this meeting is to familiarize the public with the purpose and need for the project and to obtain input on the proposed improvements.

Adjacent property owners and/or persons with a concern for or knowledge about the project are encouraged to attend this meeting or provide comments to the design consultant, MSA Professional Services.
